

Daily Health Screening for Myrtle Grove Christian School

Regular screening for symptoms before each school day can help to quickly identify signs of illness and will help to reduce the spread of viruses such as COVID-19. All staff and students will be required to complete the self-screening questions below. In addition to this, we ask that staff and students continue to self-monitor symptoms throughout the day. Should a staff or student develop symptoms during the school day, please notify the school nurse.

Please answer the following questions...

1. Do you have any of these symptoms that are not caused by another condition?

- Fever (100.4) or chills
- Shortness of breath or difficulty breathing
- Recent loss of taste or smell
- New sore throat
- New cough

2. Within the past 14 days, have you had contact with anyone that you know had COVID-19 or COVID-like symptoms? Contact is being 6 feet (2 meters) or closer for more than 15 minutes with a person, or having direct contact with fluids from a person with COVID-19 (for example, being coughed or sneezed on).

3. Have you had a positive COVID-19 test in the past 10 days?

4. Within the past 14 days, has a public health or medical professional told you to self-monitor, self-isolate, or self-quarantine because of concerns about COVID-19 infection?

Yes

- If you answered **YES** to any of the above questions, stay home and contact your healthcare provider for further instructions.
- Staff and Students not suspected to have COVID -19 as determined by their healthcare provider, or who test negative for COVID-19, must be symptom free for 48 hours before returning to school.
- All positive COVID-19 tests must be reported to the School Office immediately.

No

- If you answered **NO** to all the questions above, you are cleared to go to school.
- Please continue to self-monitor for symptoms throughout the day and notify the school nurse if you are not feeling well.
