Fees

- The **Application Fee** is required for all new students and is due at the time of application. This is a non-refundable fee that covers some of the cost associated with the admissions process, including student testing.
- The **Enrollment Fee** is due within five business days of acceptance of new students or due at the time of re-enrollment for current students. This fee is non-refundable.

Discounts

- Members of Myrtle Grove Evangelical Presbyterian Church who are active in their church attendance and involvement receive a 10% discount.
- For families who have multiple children enrolled at MGCS, a 10% progressive discount is applied according to the following schedule: the oldest child is charged full tuition; the 2nd child receives a 10% discount; the 3rd child receives a 20% discount; the 4th child receives a 30% discount.

Payment Policy

- Tuition payments may be made in one annual invoiced payment to MGCS or up to twelve monthly installments through FACTS Tuition Management. Monthly installments will be automatically drafted by FACTS on the 5th or 20th of each month from May 2025 – April 2026 (there is a \$55.00 administrative fee per family payable to FACTS).
- Morning and After School Program Fees are required to be enrolled in autopay through FACTS Tuition Management. Fees will be drafted on the 10th of each month from August 2025 – May 2026. This draft requires a FACTS Incidental Billing account (there is a \$25.00 administrative fee per family who do not have a current FACTS Tuition account).

Delinquent Accounts

- FACTS will notify families of monthly tuition installments returned by the bank and a return fee will be charged by FACTS in accordance with your tuition agreement.
- FACTS Tuition Agreements that are **past due one month** will receive an email from the school business office notifying the family of the agreement status and asking for an expectant date of payment.
- FACTS Tuition Agreements that are **past due two months** will receive an email from the school business office notifying the family of the agreement status and informing them that failure to bring the tuition agreement balance current may result in the student(s) withdrawal from MGCS within 10 days. A request for payment arrangements must be submitted in writing and approved by the administration prior to the designated withdrawal date.
- If a student(s) is involuntarily withdrawn from MGCS due to non-payment, the student(s) will be ineligible for re-admission to MGCS for the remainder of the school year.

Student Withdrawal

Upon the enrollment of a student, MGCS makes year-long financial commitments and incurs expenditures that are non-recoverable. For this reason, the following schedule shows the family's financial obligation to the school after applying / enrolling.

Withdrawal Date	Tuition and Fees Owed
Before April 30th	Application & Enrollment Fees
After May 1st	25%
After August 1st	50%
After November 1st	75%
After February 1st	100%

A Student Withdrawal Form must be submitted to officially withdraw from MGCS. Please email office@mgcs.org for a link to the MGCS Withdrawal Form. Submitted forms must be received at least two business days prior to the next scheduled FACTS tuition draft to avoid any future drafts.
